KEY FACT DOCUMENT

MARGIN TRADING

1. Key features of the product/Nature of the product

A product which allows investors of equity market to obtain a facility against their investment, to build their portfolio further and to trade in additional securities

2. Interest Rates/Penalties/ other charges and fees and commissions

- Interest rate will be advised by ALCO from time to time and is subject to change based on Company strategies and market trends
- Private Transfer Fee – A flat fee of Rs. 1,000 or 0.01o/o of value of the portfolio, whichever is higher subject to a maximum limit of Rs. 10,000/= (including SSCL @ 2.5% and VAT @ 18%)

3. Procedure to be followed to obtain the product

All potential customers seeking to obtain a Margin Trading facility from PMF should either visit (<https://pmf.lk>) and contact the Margin Trading Department.

There are two ways to open margin trading accounts.

1. Cash margin

Under the cash margin option, the investor provides the specific cash deposits which serves as collateral to fund leverage trades. The trading limit is determined based on the deposit amount.

2. Portfolio margin

In the portfolio margin option, the investor's existing share portfolio is pledged and transferred to his margin trading account as collateral instead of cash. The value of the portfolio is calculated on the closing prices of each security and the total value determines the eligible margin of the client portfolio.
